From drop off lunch boxes to an outing al fresco, Piatti is here to safely and conveniently cater to your event or celebration needs, whatever they may be. Amplify your next experience with us.

For deliveries, there is a \$300.00 minimum net sales requirement and 15% delivery and set up fee. 8.25% tax will be added to the final bill.

Our employee and guest safety is most important, especially during these unprecedented times. We are happy to be able to take care of your needs but in order to protect you and our staff we have implemented some changes to our practices.

- Our employees will be wearing masks and maintaining social distancing while on your property.
- Our employees will not be interacting with your guests or other vendors while on site.
- Our employees will make every effort to avoid entering your home, if possible, and/or otherwise directed by you.
- All food will be dropped off and set up as requested, but our staff will not be available to stay and service your event.
- All food will be provided and set up in disposable containers so they will be easy for you to discard at the end of the event.
- We will not be able to use your platters, utensils or other supplies while setting up, however we can provide you with disposable utensils at your request.
- If you have any special requests, please let us know in advance of the day of the event, and we will do what we can to accommodate your needs while still adhering to our safe practices.

Thank you for your patience and understanding. We recognize this may not be “the norm” that you expect from us, but we hope that you recognize these changes are meant to ensure the safety and health of our employees and guests alike
